

**Anzdata is currently seeking expressions of interest for Advance Trainees to the following working group:**

## Haemodialysis Working Group

The Working Group has a role in providing advice to the ANZDATA Executive and operations around:

- Assessment and handling of data requests that focus on aspects of kidney transplant recipients.
- Annual review of data items captured by the ANZDATA survey relevant to their area
- Promotion and utilisation of ANZDATA data:
  - Generation of research ideas/data analysis/publication and presentations
  - Fielding queries/applications/suggestions for research from ANZDATA contributors outside the working group and, where deemed appropriate, facilitating such research whether that be carried out by the persons making the request, by the working group, or by a combination of the two.
- Assistance with relevant chapter(s) for the Annual Report

### Advanced Trainee Member

RACP Advanced trainees in Nephrology is invited to join working groups through the Expression of Interest process as follows:

- Advanced trainees are accepted per working group each year for an initial 2-year term
- Maximum of 2 trainees per working group
- Selection will be based on for :
  - (i) demonstrated data analysis skills and
  - (ii) current involvement in ANZDATA projects
- Letter of support from RACP supervisor or Head of Unit for Advanced trainee membership is a pre-requisite for application

### **Expressions of interest should be forwarded as:**

- Brief cover letter that includes which committee / working group you are expressing interest to join.
- Electronic copy of a CV
- Email to [anzdata@anzdata.org.au](mailto:anzdata@anzdata.org.au)
